The Clark Flyer July 2009

We are well into our flying season and am excited that we are growing and new pilots are evolving.

We all need to be aware of hazards and obstacles as we fly. A pebble on the runway can become a projectile or a brick wall to aircraft, or a cause for a take-off to become a wreck.

Please check the runway and taxi way for debris or F.O.D Foreign object on deck.

The fair season will soon be upon us and will have a closed field. So be aware of signs and notifications as to

the status of the field.

Thanks to all of the Broken Prop stories. Please these are not to make people not want to fly at our field but to heighten everyone's awareness of our safety and enjoyment of our hobby. Frank sorry that you had to be the first winner but someone had to. These are things we all can walk away from with a new awareness, and understanding that things can and will happen. Have a safe and fun time flying.

Am looking forward to the next set of stories.

Watch for updated e-mails about by-laws and flying site rules

Mike

Meeting Minutes June 10th, 2009

Called to order at 7:30 by President Mike

Guests at the meeting were Ron Ames and John Knechtges

The minutes from the last meeting were approved as posted on the web site.

John delivered a Treasure's report. He stated that we had \$4,830.75 in the checking account and 3 CD's for \$1000.00 each.

John delivered a report on Black Sunday, AKA the last fun fly. He stated the event was won by Gregory Agar with Lamar Pace in second and Randy Boardman in third.

Larry Tate is having his scale contest on July 18. It is a \$10.00 landing fee which will be split between the winners. John Knechtges will be cooking hot dogs and Dick Teson will help him.

Safety Tom talked about problems at the filed with radio frequency issue's. We have had a few close calls in the past weeks and everyone needs to be aware and safe. At all contests in the future we will have a frequency control board for all radios on 72 meg.

The fair is coming so watch for our field to close.

Fern Prairie now has a new flight pattern so if you fly there, make sure that you know what the pattern is.

The Broken Prop award was awarded to Frank after a well deserved debate about all the prospective candidates.

Frank mentioned having a burn bucket for lithium batteries.

June's Raffle:
Hangar 9 T-34
Mentor ARF
With Retracts
Won by Dick
Teson

Show and tell:

Randy had his Phoenix Extra and his P-40.

Dave Yardes had his Ugly Stick

Dick had his Tiger 2

Dave had his E Flight 777

Jerry had his Gee Bee

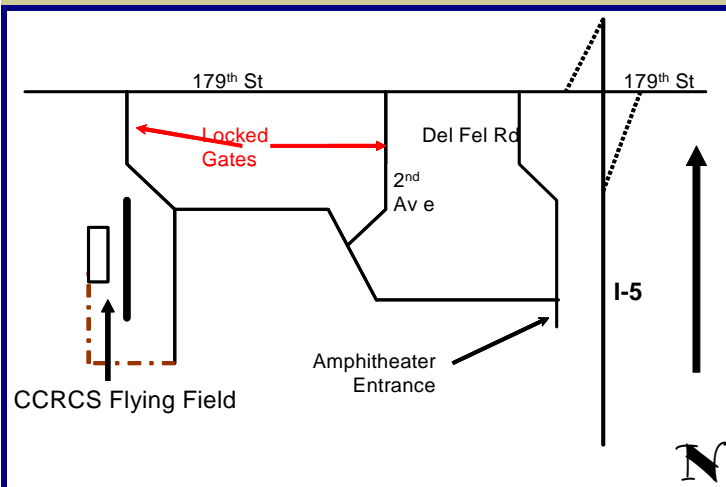

Ted brought all kinds of free parts.

The raffle was won by Dick Teson.

The newly revised rules and By Laws will be posted in the web site for members to review.

Meeting adjourned at 8:35

Directions:

Exit 9 from I-5 (Battle Ground Fairground exit) Head west to 2nd Ave. There are two ways to get to the field. Spectators and club members can use the Amphitheater entrance (open from 8 AM. until 9 PM. most days).

If locked club members can use the club entrance off of 2nd Ave. You must be a member and know the combination of the lock!
