A BIG THANKS

to all who participated in the fly in it was a huge success.

Dave Agar did a wonderful job setting this up and hopefully it can become a regular club event.

Another big thanks to the kitchen crew great food at a very great price.

We had several FAMILIES show interest in our club and thanks to Randy Boardman for running the buddy box so we could get some people up in the air. John did his usual great magic job of setting a great raffle and it all went GREAT Thanks John. It was a

great time of flying and fun for all who participated and those that came just to watch.

There should be some happy GIs when they get the candy boxes that were collected, there was a lot collected and the funds that were put out will proved even more.

Great weekend of fun for all.

We are still in need of a safety coordinator for the club, but until someone come forth we all are safety coordinators and should all be involved with safety on and off the field.

We are getting into full swing of flying at the field. so fly safe and enjoy!!
